## Conflict of Interest Disclosure

The intent of this is not to prevent an editorial reviewer/author with an affiliation or financial interest from reviewing manuscripts for the *Journal of Cosmetic Dentistry*. It is intended that any potential conflict be identified openly so that there is full disclosure of facts.

A reasonable test to guide decisions about what to disclose, is whether any particular affiliation could cause embarrassment to the individual or institution involved, or lead to questions about the editorial reviewer's/author's motives if such affiliation(s) were made known to the general public.

Having an interest in or an affiliation with a corporate organization does not necessarily prevent you from participating in the *Journal of Cosmetic Dentistry*'s editorial review board/authorship, but the relationship must be made known to the audience.

I, the undersigned, declare that I or any member of my family, has not/ has a financial interest/arrangement or affiliation with any corporate organization(s) offering financial
