AMERICAN ACADEMY OF COSMETIC DENTISTRY CHARITABLE FOUNDATION MISSION

The AACDCF assists in rebuilding the smiles and lives of adults who've suffered dental injuries from domestic and sexual violence, through compassionate cosmetic dental services and support programs.

TO OUR SUPPORTERS

Dear Friends:

Over lunch, in Honolulu, HI, Give Back a Smile (GBAS) Founder Dr. Wynn Okuda and his practice manager had an idea about how they could help people in their own way and literally remove the scars of domestic violence. Then, through the American Academy of Cosmetic Dentistry Charitable Foundation (AACDCF), the GBAS program was born. Fifteen years later, thanks to volunteers and supporters, the program has restored more than 1,400 smiles of survivors of domestic violence valued at more than \$14 million in donated dental services.

This year, we are excited to share that GBAS eligibility has expanded from assisting survivors of intimate partner violence to also serving adults who have received dental injuries to the smile-zone from a family member or due to sexual violence. It is our sincere hope that broadening the eligibility will allow more survivors of domestic or sexual violence access to the life-changing smile restorations GBAS provides.

Between November 1, 2013 and October 31, 2014, 62 new applicants were referred to a GBAS volunteer dentist; 71 smile restorations were completed valued at \$813,736 in donated dental services.

Thanks to your support, the AACDCF provided \$20,000 in educational scholarships to GBAS smile recipients enrolled in college. One scholarship recipient survived four years of brutal blows to her face. GBAS has restored her smile, and now she is seeking an Associate's Degree in Social Work and is planning to work with children in need. Another scholarship recipient lost her front teeth due to a blow to the face with a crowbar. Once her smile was restored by GBAS, she enrolled in college. Her goal is to open up a restaurant where women getting back on their feet, and who may otherwise find it challenging to get a job, can work.

“ I would like to express my heartfelt thanks. Your **generosity** allowed me to take one step more on my journey of healing. With your help, my life has taken on a new, **hopeful** meaning again. ”
~ GBAS Program Recipient

Our continuous goal is to increase national awareness of available GBAS services. This year, we took a unique approach and partnered with popular Harlequin romance author, Isabel Sharpe, to write a love story about new beginnings. The e-novella “For One of Your Smiles”, tells the story of a young woman who escapes her abuser, learns to overcome insecurities and fear, and loves again. Details about the GBAS program are featured in the book, which is available for 99 cents via Amazon. Book proceeds also benefit the AACDCF. In conjunction with the announcement of the e-novella, a national press release was distributed highlighting tips to help a friend in a domestic violence situation.

We know that our efforts cannot heal all of the devastating effects of domestic and sexual violence, but we are honored to make an impact, one restored smile at a time. Thank you for investing in restoring smiles and lives. From the words of a GBAS program recipient, “I couldn’t be more thankful or grateful for my GBAS experience. It has given me back my self-confidence and built my self-esteem back up. I’m able to smile again and laugh without hiding behind my hands. Thank you!”

In partnership,

Christopher Banks, DDS
2014-15 Chair, AACDCF
Board of Trustees

Lisa Fitch, CAE
Director, AACDCF

WHAT'S BEHIND THE COLORS?

Our communications contain a lot of purple and teal. Not only are they great colors, they represent our mission.

PURPLE:

Domestic violence awareness is represented by the color purple. It symbolizes peace, courage, survival, honor, and dedication to ending violence.

TEAL:

As you've learned, we've expanded our mission to also serving survivors of sexual violence. Teal symbolizes **sexual assault awareness**.

RESTORED SMILES AND LIVES

GBAS patients each received an average of **\$11,000** in smile-restoration services

71 survivors of domestic violence located in **21** states received smile restorations
1 province in Canada

FOUR college enrolled GBAS program recipients were each awarded with a **\$5,000** educational scholarship

68 volunteer dental offices restored damaged smiles

35 volunteer dental laboratories donated their time and talents to restore smiles

12 dental specialists donated their time and talents to contribute to smile-restorations

Your donations assisted **48** patients with the expenses of traveling to and from their **169** GBAS dental appointments

GBAS volunteers donated **\$813,736** in dental services

CYNTHIA'S STORY

Cynthia had been married for seven years before the abuse got physical. She recalled:

“He had always been verbally abusive, very controlling and vicious. It seemed that everything was always my fault and I could never do anything right.”

The last five years of their marriage were filled with many explosive violent experiences that will stay with her forever.

Cynthia left her husband for good, but her missing and damaged teeth due to the violence, remained. Cynthia stated:

“I am a public speaker. I try to use my experience to help other people. I understand the importance of how we present ourselves. It is hard to take a person seriously when they have bad diction; due to a gap toothed smile that distracts from the important matter at hand. I missed my smile. I did not feel like myself anymore. People treated me differently. My self-esteem was at an all-time low. It is amazing how a smile or lack of smile can change your life so dramatically.”

Several years later, she applied for the Give Back a Smile program. GBAS volunteer dentist Dr. Hubert Parker and team restored her smile and so much more!

“Now, as I wake each morning, I greet the day with a renewed sense of hope and joy, strength and purpose, then. . . a smile spreads across my face that is so bright, I feel like it could light up the whole world.”

Cynthia is also enrolled in college seeking a degree in social work. The AACDCF is honored to have supported her educational goals by awarding her with a scholarship this year. Her goal is to eventually obtain a master’s degree and continue to help others who have experienced domestic violence.

“Now, as I wake each morning, I greet the day with a renewed sense of hope and joy, strength and purpose, then. . . a smile spreads across my face that is so bright, I feel like it could light up the whole world.”

RACE FOR Smiles 2014

©2014 AACD Charitable Foundation, Inc.

Thank you to everyone who participated in or supported the second annual Give Back a Smile Virtual Race! In October which is Domestic Violence Awareness Month, roughly 250 participants helped spread domestic and sexual violence awareness by getting active around the world.

Participants supported the race from as far away as Sweden, Germany, Canada, Trinidad, and the Middle East. Registrations generated \$9,160 for the Give Back a Smile program!

Many posted their photos to social media including Facebook, Twitter and Instagram, using #RaceforSmiles2014.

Participants chose to “race” in some unique ways to spread awareness by staying fit:

Smiles By Santiago (Dr. Robin Santiago) participated in a walk around the town square, distributed flyers to local businesses, and invited members of the community to donate to GBAS during October.

Dr. Julie Gillis and her team participated in a variety of activities together such as walking, biking, practicing yoga, and going to the gym.

Digiorno Dental Fitness (Dr. Anthony and Juli Digiorno) participated in a walk as a group around their town.

Thank you race sponsors:

DENT CLINIC
BADEN - BADEN

Lansdowne Dental Care

Smiles by Santiago

Dr. Julie Gillis

Smiles by Schwartz (Dr. Sanford Schwartz) got active as a group and invited family members and friends to join.

Drs. Christopher and Ken Banks went for a walk and did an outdoor yoga class with their dental practice.

Dr. Michael Wong rented a purple bike and rode for 15 miles wearing his GBAS race shirt.

Dr. Michael Fulbright competed in a triathlon while sporting his GBAS race shirt.
